Tornado

Hat and loop

Quality:

Tornado (Gründl)

50 % Polyacryl, 50 % Polyester

100 g / 80 m

Size:

Hat: Head circumference: Size M (52 cm - 55 cm), Size. L (56 cm - 59 cm)

Loop: Circumference approx. 140 cm, height approx. 25 cm

Required quantity:

Hat: approx. 100 g col. 03 (teal/white colour) without a pompon, approx. 200 g with pompon

Loop: approx. 300 g col. 03 (teal/white colour)

Needle thickness:

Hat: Needle set 9.0 and 10.0

Loop: Circular knitting needle 12.0

Pattern:

Garter stitch right in rd.: k alternating 1 rd. ri st, 1 rd. le st

Tension sample (garter stitch right):

Needle thickness 10.0: 9 st x 18 rd. = 10 cm x 10 cm

Needle thickness 12.0: 8 st x 16 rd. = 10 cm x 10 cm

Pattern:

Hat: (varying instructions for size L indicated in brackets)

38 (44) cast on st with needle thickness 9.0, distribute on the 4 needles of the needle set (3 x 10 ST and 1 x 8 st (4 x 11 st)) and k 10 rd. garter stitch right.

Afterwards, 22nd rd. k garter stitch right (= 32 rd.) with needle thickness 10.0.

In the 33rd rd. begin with the decreases:

33rd rd.: always k tog. 2 st ri (= 19 (22) st)

35th rd.: always k tog. 2 st ri (= 10 (11) st)

Pull together the remaining 10 (11) st with the active thread.

If desired, create a pompon approx. 9 cm and sew it onto the hat.

Loop:

Cast 110 st to close rd. and k approx. 24 cm (= 40 rd.) garter stitch right. in the 41st rd. all st co., thereby k ri st.

Abbreviations:

st = stitch(es) • rd. = round(s) • ri = right • le = left • k tog. = knit together • co = cast off • col. = colour • k = knit
