## Knitting pattern

(see knitting pattern for socks):

Cast on 96 stitches and distribute evenly onto the double-pointed needles (24 stitches per needle). Continue knitting the cuff pattern for 6 cm (= 24 rows). Continue in basic pattern. After 10 cm after the cuff (= 40 rows), on the first needle slip 2nd stitch knitwise, knit the next one, then pass the slipped stitch over; on the 4th needle, knit the stitch last but two and the stitch last but one together. Repeat this decrease 17 x in every 8th row (= 60 stitches). Distribute these 60 stitches evenly onto the 4 needles again (15 stitches per needle). The beginning of the round stays the same. After 56 cm (= 224 rows) knit the heel with short rows over the stitches of the 1st and 4th needle (see knitting pattern for socks). Knit the standard toe at 20 cm length of the foot (measured from the middle of the heel (see knitting pattern for socks).
