Sock yarn 4 ply

Description:

- durable, machine-washable sock yarn
- high strength sock yarn due to 4 ply twisting and therefore good durability of the socks
- the fibres are superwash treated and are therefore easily washable in the washing machine up to 40°C in the gentle cycle and will not felt
- “superwash” is a process where the wool is treated through a chemical process so it will not felt when washed. The scales of the fibres are partially removed to prevent the felting process. In addition, the fibres are then protected by a wash-resistant layer.
- The yarn is therefore much less sensitive and easy to clean
- available in the current fashion colours in both solid and prints

Use – Knitting Ideas:

- socks for the whole family
- accessories like gloves and hats
- also for jumpers and cardigans (for diligent knitters)

Care Instructions:
