Pattern:

stocking stitch:

right-side-row: knit plain st between edge st, return row, knit purl st between edge stitches.

Rib pattern: (Number of st. divisible by 2):

Front and back row: knit alternately 1 st. plain and 1 st. purl between edge stitches.

Edge st:

Knit plain crossed-over at the start of the row, slip stitch at end of row with yarn in front of st.

Stitch sample:

stocking stitch: (cap) 10 st x 14 r = 10 cm x 10 cm

rib pattern: (scarf) 14 st x 13 r = 10 cm x 10 cm

Instructions:

Cap: (deviating information for size L in brackets)

The cap is knitted open in rows to and fro.

Cast on 48 (50) st plus 2 edge stitches, start with 1 return row and knit 2 cm (= 3 r) in rib pattern.

(*Tip*: knit this 3 r very tight so the cap sits well around the ears; if necessary take one needle size down). Subsequently, continue in stocking stitch. In 12 (13.5) cm (= 17 (19) r) total height after edge st (for size L: after the first two st = edge stitch and subsequent st) mark every 8. st and respectively knit the marked st with the previous st together in plain (= 44 (46) st). Repeat these decreases exactly over the marked st another 1 x in the following 4. r. and 4 x in each 2. r (= 14 (16) st). Pull working thread 2 x through these st. and pull st together. Close the rear seam in mattress stitch (= place right and left working edge together face up and alternately catch the square thread left and right between the edge stitch and the st on the left or right beside it. Pull the thread after a few cm for the seam to close. The edge st are pulled inward, the stocking stitches on both sides meet, so that the seam becomes almost invisible).

Scarf:

Cast on 28 st plus 2 edge st and knit 180 cm in rib pattern. Then cast off stitches straight, in the

process, knit stitches as they come.
